Join Global Offshore Wind Summit - Taiwan Virtual in October 2020 and meet in April 2021 in Taipei!

Due to ongoing travel and event restrictions as a result of the COVID-19 crisis, the [Global Offshore Wind Summit – Taiwan Conference & Exhibition](#) will be postponed to April 2021 at the Hua Nan Financial Holdings Conference Centre in Taipei. However, in order to drive momentum in this rapidly growing offshore wind market, we are thrilled to announce that we will hold a [Global Offshore Wind Summit – Taiwan Virtual](#) on the original dates of 12-14 October 2020 and will be co-located with [Energy Taiwan](#).

Over three days, you will hear from high-level government officials and industry experts sharing insights, knowledge and expertise on what needs to be achieved to expedite the further development of the offshore wind sector in Taiwan. Topics of discussion will include urgent issues such as the Round 3 auction, Taiwan localisation plans and more!

The Global Offshore Wind Summit – Taiwan Virtual is your chance to gain first-hand insights and updates from Taiwan's policymakers, business insiders and industry leaders!
